# Parking Regulations

Students are responsible for knowing and following campus parking regulations. Complete parking regulations are available online at [collegeofsanmateo.edu/parking](http://collegeofsanmateo.edu/parking), or a copy may be obtained at CSM's Security Office (Bldg. 1, Room 269) or CSM's Business Office (Bldg. 1, Room 147).

All persons driving motor vehicles (except motorcycles) onto campus and utilizing the parking facilities during regular class hours (Monday-Friday; 7 am–10 pm), including final examinations, are required to obtain a parking permit. A parking permit is not required for students riding motorcycles and parking must be in designated Motorcycle Parking (see campus map for locations). Student parking permits are available for \$40 each for the Fall and Spring term, and \$20 for the summer session. A two-term (Fall/Spring) permit is available for \$70. Parking permits for students with California Board of Governors (BOG) waivers are \$20 per term.

If a semester permit is lost or stolen; replacements are available at full price. Two-semester permits are replaced on a sliding scale, depending on the point in the academic year. Permits lost during the fall semester costs \$60 and permits lost during the spring semester costs \$30. Semester parking permits for students with California Board of Governors (BOG) waivers can be replaced for \$20 and subsequent replacements will cost full price.

Students who intend to purchase a parking permit may do so online using WebSMART. For information on how to obtain your paid parking permit, please visit our website.

Daily parking permits (\$2) are available from machines designated on the campus map. Parking permits for disabled students who have paid the parking fee are issued only by the Disability Resource Center (Bldg. 16, Room 150, 574-6438).

A grace period allowing for the purchase of permits will be in effect during the first two weeks of the Fall/Spring semesters, and the first week of the Summer term. **The grace period pertains only to permits, with all other parking regulations enforced at all times in all parking lots. Beginning Wednesday, September 1, 2010, permit requirements will be strictly enforced in all lots.**

Parking spaces are available on a first-come, first-served basis. Therefore, a permit is not a guarantee of a parking space. **The College and San Mateo County Community College District accept no liability for vandalism, theft or accidents. Use of parking facilities is at the user's risk.**

## Visitor Parking

Visitors to campus may park in Beethoven Lot 2 using the pay-by-space meter. After parking the car, the visitor notes the number of the parking space, enters the number into the meter and deposits coin or currency. The receipt does NOT need to be displayed in the vehicle. Visitors may also park in a student lot after purchasing a daily permit. For location of parking permit machines, please refer to the campus map.

## Public Transit

SamTrans bus service has two direct routes to the campus (#250 and #260) and connecting bus routes from the Hillsdale Shopping Center and the Caltrain Station serving the CSM campus throughout the day. All buses have wheelchair lifts and also serve students attending evening classes. Routing information is available by calling 1-800-660-4BUS or via the Web at [www.samtrans.com](http://www.samtrans.com) and [www.caltrain.com](http://www.caltrain.com). Printed schedules and maps are also available at the College of San Mateo Student Activities Office (Building 12).
