

## Welcome to the NEW Marlins Web Site

If you have not done so already, please "Bookmark" our web site on your browser:

**[www.MasterMarlins.org](http://www.MasterMarlins.org)**

Please check-out our completely new, redesigned web site. Here are some of the features:

- Full-screen display on your computer
- "Headline" (important notices) box appears at the top, left-hand corner of every page
- "Search our site" text entry box at the top, right-hand corner of every page
- Large "Navigation" buttons near the top of every page (marked to show where you're at)
- Color-coded Marlins event [Calendar](#) with links to maps and meet information sheets"
- Coach's Corner" message on [Home](#) page--Will be updated regularly, once a month or so
- "Feedback" link at the bottom of every page

In addition, you'll find that our new web site loads quickly--special care has been taken to see that the graphics and photos are optimized for display on your computer.

The "Headline" (top, left-hand corner of every page) will contain a short message of the next forthcoming event such as an upcoming meet, pool closure, special workout hours, or social event.

The "Feedback" link (at the bottom of every page) requires that you fill-in your name and e-mail address. (This is necessary to cut down on the spam we receive.) WE WILL TREAT YOUR E-MAIL ADDRESS AS STRICTLY CONFIDENTIAL AND WILL NEVER SHARE, GIVE, OR SELL IT TO ANY OTHER PERSON OR ORGANIZATION!

The [LANE LINES](#) page contains links to PDF versions of the latest editions of our monthly newsletter.

Please be sure to visit the page marked as "[????](#)". This section is "under construction" and will be changed to whatever you would like it to be. Some suggestions are listed there but before we proceed, please let me know what YOU would like to see.

Since I am now retired from full-time employment, I have the time to see that the content of our web site is fresh, interesting, and timely. However, for any web site to hold the interest of its visitors, the information has to be ACCURATE. That's where YOU come in. If you experience any broken links or see anything that isn't clear, doesn't look right, or is not correct, PLEASE LET ME KNOW RIGHT AWAY! You can e-mail me directly at [webmaster@mastermarlins.org](mailto:webmaster@mastermarlins.org) or simply use the "Feedback" link at the bottom of every page. If you have an article and/or picture(s) you'd like to submit for publication on our new web site and/or for our monthly newsletter, [LANE LINES](#), please send them to: [webmaster@mastermarlins.org](mailto:webmaster@mastermarlins.org)

What's this new web site going to cost the Marlins, you ask? Nothing. Zip. Nada. Zero. Zilch. The host ([1 and 1 Internet](#)) of my personal web site ([www.leuten.com](http://www.leuten.com)) allows me to add a second web site at no additional charge--and the Marlins web site is my free second one!

Lastly, I'd like to offer my sincere thanks and appreciation to **Henry Chan** for his excellent past work as Webmaster on the previous Marlins web site and for his assistance in making this transition go smoothly.

Regards, [Bob Leuten](#), Marlins Volunteer Webmaster
